

LET'S START THINK AND ACT IN AN ENVIRONMENTAL FRIENDLY WAY!

E-TWINNING PROJECT

CLASS V A - PRIMARY SCHOOL "RACIOPPI INSTITUTE" IN SARCONI - ITALY

Istituto Comprensivo

"G. Racioppi" - Moliterno

con sedi associate

Spinoso - Sarconi

OUR PROCESS

THINK AND DISCUSSION 1

Brainstorming and discussion on the causes and solutions we can adopt to reduce the effects of the climate change

REUSE, REDUCE, RECYCLE 2

Pupils reduced, reused and recycled some material and objects; bottles of water, vases, paper, bins....

CLEAN AND PLANT 3

Pupils cleaned their small school garden and then plnt their sunflower seeds

GREEN TEAM IN ACTION: PUPILS CLEAN THEIR OWN SCHOOL GARDEN

LET'S PLANT

LET'S WATER

YES, WE CAN HELP OUR PLANET WITH SIMPLE ACTIONS

FINAL SURVEY FOR PUPILS

- X Do you really know the meaning of climate change?*
- X Do you know the causes and solutions we can adopt to reduce the effects of climate change?*
- X Do you think it is our responsibility forever to have an environmentally friendly attitude forever? Your audience will listen to you or read the content, but won't do both?*
- X Do you enjoy this project?*
